RE: Involvement at Kingsborough Community College

This memo serves as confirmation that Steven Patzer served on the Board of Directors for the Kingsborough Community College Association as well as the Kingsborough Community College Auxiliary Enterprise Corporation for the 2015-2016 academic year as a student member. He was appointed by the Student Government Association to represent the students. During his tenure, he also served on the budget sub-committee for both entities.

I can be contacted via email at maria.patestas@kbcc.cuny.edu if you need any additional information about his involvement.
